

## Work Assignment, Tuesday, 12th May 2020

Please complete the following tasks conscientiously and reliably. For some of the exercises you'll have video tutorials.

However, in some cases you'll receive handwritten solutions. You can find everything you need to know on the following website: [www.aleph-null.li](http://www.aleph-null.li)

Today's work assignment consists of the following task.

### **Task 1:**

Today we are going to start a new topic which is about quadratic functions. Please, watch the introductory video to the new topic.

If you want to use the same sheets I am using in the videos you can download them on the website.

### **Task 2:**

Please solve Problem 1 and 2 of the new work sheet.

After every exercise watch the video tutorial. Please take notes if necessary.

After you have solved Problem 2 watch the Geogebra demonstration video.

Best of luck – have fun.
