

Work Assignment, Wednesday, 25th March 2020

Please complete the following tasks conscientiously and reliably. For some of the exercises you'll have video tutorials.

However, in some cases you'll receive handwritten solutions. You can find everything you need to know on the following website: www.aleph-null.li

Today's work assignment consists of the following tasks.

Task 1:

Please read p. 310 and study the example thoroughly. (we are skipping p. 309)
This page is about solving problems in three-dimensions. You still have to look out for right triangles. We did some similar exercises when we talked about Pythagoras. Only difference here: we are able to calculate angles.

Watch the video tutorial for the worked example on p. 310.

Task 2:

Solve the following exercises:

Exercise 29.7 1) 2) p.311

Watch the video tutorial for these exercises. Take notes if necessary.

Best of luck – have fun.

Sven Huber
