

Work Assignment, Wednesday, 3rd June 2020

Please complete the following tasks conscientiously and reliably. For some of the exercises you'll have video tutorials.

However, in some cases you'll receive handwritten solutions. You can find everything you need to know on the following website: www.aleph-null.li

Today's work assignment consists of the following task.

Task 1:

Please solve the Exercises 2i), j) and k) by combining everything we've learned so far. Although the exercise doesn't ask for the zeros, I will from time to time work them out. This means that the videos will show more than just the solutions.

After every exercise watch the video tutorial. Please take notes if necessary.

Best of luck – have fun.
