

## Work Assignment, Tuesday, 9th June 2020

Please complete the following tasks conscientiously and reliably. For some of the exercises you'll have video tutorials.

However, in some cases you'll receive handwritten solutions. You can find everything you need to know on the following website: [www.aleph-null.li](http://www.aleph-null.li)

Today's work assignment consists of the following task.

### **Task 1:**

Please solve the Exercises 3f), g), h) and i).

After every exercise watch the video tutorial. Although the exercise doesn't ask for the use of a second method, I will from time to time solve the exercise by completing the square. This means that the videos will show more than just the solutions. Please take notes if necessary.

Best of luck – have fun.
